ADDRESS: _____

CITY/STATE/ZIP: _____

Section 31-13-9 of the *Code of Alabama*, as amended (see Alabama Act No. 2012-491) (the "Act") is applicable to all contracts entered into with the City of Tarrant, Alabama ("City") via a competitive bidding process.

Be advised that as a condition for the award of any contract that is competitively bid and awarded by the City to a business entity or employer that employs one or more employees, the Act requires that the business entity or employer shall not knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama.

Be further advised that as a condition for the award of any contract that is competitively bid and awarded by the City to a business entity or employer that employs one or more employees within the State of Alabama, the Act requires that the business entity or employer shall provide documentation establishing that the business entity or employer is enrolled in the E-Verify program. During the performance of the contract, the business entity or employer shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations.

Information about "E-verify" can be found at web address: <https://e-verify.uscis.gov/enroll> and the program is operated by the United States Citizenship and Immigration Service Bureau of the United States Department of Homeland Security to verify information of employees, pursuant to the Immigration Reform and Control Act of 1986 (IRCA), P.L. 99-603.

Be further advised that the Act requires that any subcontractor, on a project paid for by a contract that is competitively bid and awarded by the City, shall not knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and shall also enroll in the E-Verify program prior to performing any work on the project. During the performance of the contract, the subcontractor shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. A business entity or employer who has been awarded a contract with the City through a competitive bidding process should maintain records of such compliance in case verification is required by the City or a law enforcement agency.

Failure to comply with these requirements may result in breach of contract, termination of the contract or subcontract, termination of employees, and possibly suspension or revocation of business licenses and permits in accordance with the Act, among other things.

1. Are you a business entity or employer that employs one or more employees within the State of Alabama?

No

Yes, and I have enclosed documentation along with this form establishing that I am enrolled in the E-Verify program.

If you answered "Yes," then you must provide such documentation with this form. A copy of your E-Verify Memorandum of Understanding is acceptable documentation.

2. Pursuant to the Act and by operation of law, the following provision shall be incorporated into any contract that is awarded by the City as a result of this competitive bid process, regardless of whether or not the same is expressly set forth in the written documents relating to such contract:

"By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ and unauthorized alien within the state of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom."
